## Powerful Presentation and Inductive Training Techniques Module 2

This module take you through The Grinder 8 step format that will transform the way you structure your presentations and courses. This incredibly powerful model allows you to communicate with your audience so eloquently they will be immersed in your message and learn inductively. The additional techniques allow multiple learning experiences at any one time. The result is an audience who can personally associate and therefore experience your message.

### Focused On:

- A state of excellence and how it affects the behaviour of the group
- Fear breakthrough
- The art of story telling
- Defining the structure of your message
- Persuasive, emotional language
- Preparation

### What you will learn:

- Tools to help you create the right state
- Pacing and leading - verbally and non-verbally
- Recognise the group dynamics
- Creating dynamic exercises that includes the audience
- How to handle hecklers and disruptive individuals and get them onside

### Outcome:

- After this module you will be able to design and deliver presentations and courses to match the different learning styles of your audience. You will have the confidence to communicate charismatically your own individual style

If you have completed both Modules 1 & 2 of this programme you will have the ultimate tool box for presentations and training courses for any size and learning style of audience.
