

# NLP Practitioner Programme

## NLP Practitioners Course Module 2

Welcome to NLP. This course is aimed at people who want to set up as coaches. Existing Life coaches and Therapists who want to build NLP into their practice. Teachers, Business Managers and All Professionals who want to develop and support people in a less directive style It is a full-on, experiential, action based course where you will learn the core skills of NLP and apply them in a coaching context.

This NLP Practitioners course is Module II of the NLP Practitioner Programme. If you decide to study the NLP Practitioner Course you will have already completed Module I through your Core Skills Diploma.

Imagine being able to start a new career as an NLP practitioner or adding NLP to your existing practice. Maybe you are looking for an alternative way to support those you are responsible for. This course will enable you to do just that and enable you to flourish with powerful coaching skills.

### Focused On:

- Learning how to apply core NLP patterns into your life for more effective communication, personal success and creating more choices in life

### What you will learn:

NLP and Coaching  
Coaching Language  
New Code NLP in coaching  
Setting direction and creating options  
The coach and client relationship  
Framing, Process and Evidence in coaching  
The Three Stage Coaching Protocol

### Outcome:

Transforming Classic Code NLP to Coaching contexts  
Moving from pure left brain style coaching to non-linear formats to access the creative mind  
Provocative language styles  
Metaphors to stimulate the unconscious to assist client with solutions  
Using NLP language models  
The New Code NLP distinction and its uses  
Moving from outcome to intention so clients get more out of life  
Ethical boundaries  
Measuring results through tasking  
The ability to create new behaviours and outcomes that are lasting.

### Certification Day

During the evaluation day you will demonstrate competency with the material you learned during this course. The following certificates are ink signed by the Co-Founder John Grinder, Carmen Bostic St Clair and Michael Carroll and will be awarded on completion of successful evaluation:

- Classic Code NLP Practitioner
- New Code NLP Practitioner
- International NLP Coach (Post course tasks will be assigned to complete this certification)
